G&L Ellie's Charm is a heifer with a big ol body that we believe will bring size to our herd. With awesome horn, this JTW Side By Side daughter has the correctness and structure we require in all of our females. She is just beginning her journey, but we believe she has all the makings to be a great Longhorn cow in the future. Her genetics are a great outcross for any pairing you can come up with. This girl is a real winner!
