Thick and tall, his young bull has everything going for him. His red roan coloring is coming in more every day while his conformation is solid. His horns are cranking back with hooks on the end. Out of G&L Enchanted Evening, a Drag Iron Daughter, he is gentle, calm, and loving of attention. He is exactly what you want to reproduce in your herd. A full brother to G&L Mescalero, we think he will surpass all expectations. Bolero is simply a dream
