Sangiovese is a very special lady with a fantastic pedigree. She is a full bodied carbon copy of her dam, who has a gorgeous rolling twist at only 3.5 years of age. Both grandsires are over 84" TTT and her Granddam, Southern Comfort sold for \$100,000. Her breeding runs straight back to Widespread through Drag Iron and Jamakizm, making a pairing with Too Tuff To Beat (Beats) a shoe in for an awesome calf! While we like

TTT: 79.2500 on 08/04/2025
